Dear Sir or Madam:

We are submitting an ECA Fuel Oil Non-Availability Report (FONAR) for our ship the ms Oosterdam (IMO Number 9221281), who will enter the North America Emission Control Area on April 30, 2014. The ms Oosterdam was home-ported in Seattle in the summer of 2013, but has been sailing in Australia, New Zealand, and the South Pacific Islands during the fall of 2013 and the winter of 2014. She will be repositioning back to U.S. waters for her Alaska summer sailing season, and will arrive in Honolulu, Hawaii on May 1st. Her voyage plan is included in Attachment A.

Fuel for the global operation of our ships is procured by our parent company, Carnival Corporation. Our fuel procurement team indicates that in 2014 ECA complaint fuel is not available in Australia, New Zealand, the South Pacific islands nor anywhere in the State of Hawaii. The list of contacted fuel suppliers is included in Attachment B.

This submittal contains:

- i. Completed ECA FONAR form entered into the DCX database.
- ii. The vessel voyage plan in attachment A.
- iii. List of contact information for fuel suppliers referenced in the form in Attachment B.

I certify under penalty of law that the statements and information made herein are, to the best of my knowledge and belief, true and complete. I am aware that there are significant penalties for knowingly submitting false statements and information, including the possibility of fines and imprisonment pursuant to 18 U.S.C. Section 1001.

Please contact me or Tina Stotz at (206) 281-0657 with any questions or concerns.

Sincerely,

Michael D. Inman
